

Level 7 Diploma in Education Management and Leadership (RQF)

Overview

The objective of the Level 7 Diploma in Education Management and Leadership (L7 DEML) qualification is to develop your understanding of policy and management theory in education. This course will provide you with an opportunity to engage with the challenges professionals and policy makers face in their country. Furthermore, it will provide you with knowledge that underpins the ability to work as an effective manager in the education sector. This qualification will develop and enhance your knowledge and skills in leading change, effective performance and team leadership enabling you to work in a variety of roles within education administration and/or management. The Level 7 Diploma in Education Management and Leadership is accredited by UK OFQUAL and delivered 100% online as a distance learning programme. This Level 7 teaching qualification will assist you regardless of your subject expertise – whether you teach music or mathematics.

Intended Audience

This Level 7 educational management course is perfect for those looking to pursue management positions in administration of Universities (the FE and HE sectors), Schools, Vocational Institutes, Early Childhood Education, Elementary and Secondary Education, Online Education Institutes, as well as in the Public Sector.

Duration and Delivery

This Level 7 Diploma in Education Management and Leadership is designed to be completed online at the pace that suits you. Our Level 7 Diploma takes as little as 2 months or up to 12 months, depending on your previous experience and dedication to the course. The qualification is delivered through our Virtual Learning Environment (VLE), with online tutor support to facilitate your course progression.

Assessment and Verification

All units within this qualification are internally assessed by our qualified assessors and externally verified by awarding organisation. The qualifications are criterion referenced, based on the achievement of all the specified learning outcomes. Learners must provide evidence to demonstrate that they have fulfilled all the learning outcomes and meet the standards specified by all assessment criteria. You will receive support once you're enrolled on our online portal to assist you in reaching your goals.
